

Mini Militia Tournament guidelines

Solo Event

- Each match will be of 6:30 minutes each.
- There will be 5-7 players in each match.
- Top two players of each match will qualify for next rounds.
- The winner will be decided on the basis of kill points not on net points. In case of tie, net points will be considered.

Team Event

- The team should be of four players.
- Each match will be of 10:00 minutes each.
- The team with higher score will win and advance to next round.

Location

- There will be four choices for location:
Outpost, Catacombs, No Escape, High Tower
- The location will be chosen randomly by picking chits.
- Location can be changed if all players agree for different location.

Rules

- Hotspot will be created by organizing team
- You should uninstall your previous mini militia app. APK will be provided by us.
- You should not login into your app so that everyone will be at same level.
- Your phone must be in flight mode during the matches to avoid any glitches.
- In case of any glitch, the match will be restarted.
- Game sounds must be off during the game . If you want you can bring your earphones.
- Use of offensive language is strictly prohibited.
- If anyone is found of using any unfair means like mod or hacked versions will be disqualified immediately from the tournament.
- All participants must carry their respective college ID cards.
